FOR IMMEDIATE RELEASE

STAR AVIATION AWARDED 2009 SILVER LEVEL BOEING PERFORMANCE EXCELLENCE AWARD

Mobile, Ala., April 29, 2010 – Star Aviation proudly announces they have received the 2009 Silver Level Boeing Performance Excellence Award. This outstanding achievement signifies a Silver composite performance rating for each month for the performance period of October 1, 2008, through September 30, 2009.

The award letter from Boeing reads “We extend our sincere congratulations to the employees of Star Aviation, Inc., for demonstrating their dedication to the high performance standards necessary to meet customer expectations and remain competitive in the global economy.”

Star Aviation is among 358 suppliers to be awarded the Silver level award out of a total 486 suppliers to receive Silver or Gold. The company has been a supplier to Boeing for over 10 years.

Boeing’s website states “The Boeing Performance Excellence Award (BPEA) is an annual program to recognize superior performance...Performance is a key discriminator during source selection process.”
